**REMARKS**

Claims 1-20 are pending. Claim 20 has been introduced by this amendment. Claims 1-17 and 19 were indicated as allowable. Claims 1, 4, 14 and 18 are in independent form.

**Response to §102 rejections**

Claim 18 was rejected under §102(b) over Lavelly. Lavelly does not disclose a slot that defines different adjustment positions. The Examiner has argued that the positions are "of such a general nature as to be readable on the Lavelly slot." Claim 18 has been amended to more clearly recite the relationship of the pin relative to the slot. As amended, claim 18 cannot read on Lavelly. New claim 20 further sets forth that the pin is seated in the ends of the slots in the positions. The amendments are supported by Figure 2 and paragraph 33 of the Specification.

Applicant respectfully solicits allowance of these claims. The Commissioner is authorized to charge Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds for any additional fees or credit the account for any overpayment.

Respectfully submitted,
